# **SURF EMPORIUM**

**YEAR END FUNCTION/  
TEAM-BUILDING  
ADAPTIVE SURF LESSON  
PROPOSAL**

It gives **SURF  EMPORIUM MUIZENBERG,**  
home of the widely acclaimed  
**ROXY LEARN 2 SURF & SURF WITH QUIKSILVER**  
programmes, great pleasure in proposing  
the following end of year function or  
corporate team-building  
opportunity to you.

# WHO ARE WE?

Founded by 9x South African Surfing Champion, **Roxy Davis**, Surf Emporium is internationally renowned as **SA's most popular surf and SUP destination** with a proven track record. Located on the Muizenberg Beach Front, commonly known as Surfers Corner, we offer an **SSA accredited surf and SUP school**, high quality equipment rental hub, retailer of leading surf and SUP brands and a Vida e Caffè all under one roof. We aim to provide a **family environment** where you can share the stoke with us whether it is something you are thinking about trying for the first time or something you have loved for years.

# ACCREDITATIONS

+

+

We are officially accredited to **SSA (Surfing South Africa)**, the national governing body of surfing.

We are also the official surfing & stand-up paddleboarding partner of **Discovery Vitality**.

We are currently ranked #1 on **TripAdvisor** for **Outdoor Activities** and **Water Sports** in Muizenberg

# WHAT IS ADAPTIVE SURFING?

An **Adaptive Surfer** is a surfer with a **disability**, including but not limited to, **paralyses, cerebral palsy, blindness, amputations** etc. These are just some of the many physical challenges that they overcome to share the stoke of simply catching waves (and invariably trying to ride them better). **Adaptive Surfing**, as a sport, has been rapidly growing & we are dedicated to assisting with this growth both locally and nationally. **Adaptive Surfing** aims to show people living with disabilities that surfing is a possibility and to make it a possibility.

# ADAPTIVE SURFING CATEGORIES

**AS-1:** Surfers who ride in a standing or kneeling position

**AS-2:** Surfers who ride in a standing or kneeling position

**AS-3:** Surfers who ride in a seated position

**AS-4:** Surfers who ride in a prone position

**AS-5:** Surfers who ride in a non-standing position and need assistance to paddle into waves

**AS-VI:** Surfers who have a visual impairment

**\*EXTRA CATEGORY:** Surfers with mental disabilities

*\*Although not currently recognized as an ISA (international surfing association) Adaptive Surfing category, at Surf Emporium we **include Adaptive Surfers with mental disabilities***

# SURF & GIVE-BACK

**Team-building activities** are important for **bonding**. Bonding helps to **build trust amongst a team** and helps a team learn how to work together effectively which will create increased efficiency. It is also important for businesses to focus on **corporate social investment** and continuously aim to **uplift communities**. CSI demonstrates the '**heart**' of your company and can enhance your credibility. With Adaptive Surfing, you'll get the perfect balance of both having fun & giving back!
